

DICE BAG KNITTING PATTERN

MATERIALS

- ½ skein Lily's Sugar & Cream yarn, any color
- yarn needle
- US 4 (3.5mm) double-pointed needles
- US 4 (3.5 mm) circular needles, 16-inches long**
- stitch marker**
- measuring tape
- scissors

GAUGE

Not important

FINISHED SIZE

Approx. 7 wide x 8 in long

INSTRUCTIONS

1. Cast on 60 stitches on 3 or 4 DPNs, whichever is preferred.
2. Join in the round.
3. Knit all stitches, keeping track of which DPN holds the first stitch.
4. Continue knitting in the round until the stitches have grown enough to be transferred to circular needles.**
5. Knit all stitches until work measures 8-inches from the first row.
6. Use Kitchener Stitch to bind off.
7. For the drawstring, cut a piece of yarn about 2 feet long. Work a loose running stitch around the bag, about 1 inch from the top. Tie the ends of the yarn. Pull tightly to close bag.

**Circular needles *may* be used, but are not required. I find them easier, so once I get 2-3 rows in, I transfer my stitches to circs. To do this, simply work them over to the circs by knitting. If you choose to stick with DPNs, the stitch marker is not required.
